

To the Krew,

As we wrap up March, we're moving beyond the quietest months of the year. With the arrival of nicer weather, it's time for us to re-engage and ramp up our efforts as we approach the busy season. Each year, we find it increasingly easier to manage our krew, having naturally grown in all aspects of our business. We've successfully covered over 99% of all booked jobs last year, and we aim to maintain that standard this year. Please share job opportunities with friends and anyone who might be interested, as this is a great chance to earn more during our peak period.

We are excited to support our krew member Jonas in his endeavour to produce his own theatre play, and we're thrilled to see his GoFundMe campaign reach its funding goal. We are committed to supporting our krew members who have shown tremendous dedication over the years, and it brings us joy to assist in their ventures.

Currently, we are in the process of launching three new businesses, aided by the strong network we've built with some of the members of our krew over the last year. This network continues to expand, showing impressive growth of over +65.98% in the first quarter of the year, with significant potential for further expansion throughout the year. Our new watch company that we recently started is off to a fantastic start, and you can expect more details soon. If you're interested in learning more about our unique network that offers additional opportunities, jobs, and benefits, 'Training Days' and more, then don't hesitate to reach out.

Project 4: Tigerheltene [Nærrebro United]

We are proud to sponsor the kids' teams for ages 3-6, providing free t-shirts for all 300+ members of their club. This initiative marks 'Project 4' for our 'Krown Foundation,' and after a hiatus since our last foundation project in 2022, we're excited to kick off another meaningful endeavour. For more information and to see photos of our efforts, please visit our website.
